

Press Release: Metrohm Training Academy

Date: 27<sup>th</sup> January 2011

As well as offering a range of high quality instruments Metrohm can continue to support you throughout the lifetime of your instrument. Along with specialist application support and our highly experienced service engineers, Metrohm now offer a complete training programme to cover any new or refresher training on your site or at our dedicated training facilities.

Please find enclosed our 2011 schedule of Training Course's, workshops and seminar's from Metrohm Training Academy.

To register for any of the training or workshops, simply complete the form at the back of the brochure and return to us, or simply give us a call 01928 579 600.

Please continue to check our website [www.metrohm.co.uk](http://www.metrohm.co.uk) for the latest additions to this schedule like the upcoming Ion Chromatography – **CHANGE IS GOOD** webinar to be held on the 24<sup>th</sup> March 2011 at 2pm. We'll cover the basics of IC, demonstrate the time- and budget-saving features of Metrohm systems, and answer all your application questions.
